Tuticorin Town Municipal Council
Tuticorin

Sir,

We the undersigned members of the sub-committee appointed to go into the draft of the proposed bye-laws and suggest changes if any suggest the undermentioned changes in the various bye-laws proposed to be introduced

Re: 17 of 48

Yours faithfully
Balakrishnan
[illegible]

changes —

Reg. 1. 1 Since the Accounts-Assistant does not provide the levying of octroi to postal parcels the proposed insertion of postal parcels in the list of articles subject to levying of octroi may be omitted

2 For Khadi the bye-laws do provide the exemption of locally produced Khadi from the levying of octroi since all articles of local production are free from any levying of octroi the clause need not find place in the bye-laws as second hand woven garments do not amount to any exemption at all so Khadi in general (whether it is of local production or of outside production) may be exempted from any kind levy of octroi

3 & 4 In the provision for exemption of toll to Govt Servants only such items which have the sanction of Govt should be included so a careful compilation of such exemption and with Govt orders on the point is suggested

4. In the Bye-laws about the levying of vending fees to fruits & vegetables the sub-committee is of

of common stock vegetables, fruits which are done on a basis
maybe taxed and among taxable items fancy goods etc
should also be included
